

OPaL Dazzles at CHINAPLAS 2019

OPaL participated in 33rd International exhibition of CHINAPLAS at Guangzhou, China during 21st – 24th May 2019. CHINAPLAS is world's leading plastics and rubber trade fair, and also widely recognized by the industry as one of the most influential exhibitions in the world.

OPaL's elegant stall was inaugurated by Mr. Nie De Lin, Head of M/s. Xiamen CCRE Co Ltd. (A leading Polymer Consumer in China) in presence of Mr. Makarand Dixit, Head-Marketing & other officials. China is having a largest trade deficit of Polyethylene among all Asian countries. PE demand growth in China is estimated to grow by 6 % annual average & will account for 60% of total Asian demand. OPaL stall at CHINAPLAS received enthusiastic response from many eminent visitors including International polymer users, distributors, plastic processors & other industry stack holders. OPaL officials utilized networking opportunities with overseas visitors / customers to its full. The positive interest among the visitors at OPaL stall was very encouraging.

China is one of the important territories for OPaL's polyethylene export. CHINAPLAS was an excellent platform for OPaL to project its brand image in the China market as a world-class company and understand the needs of the polymer industry around the globe.
