

OPaL Shines at PLEXPO 2019 in Mumbai

OPaL participated in the 3rd edition of PLEXPO held from 17th January -20th January 2018 in Mumbai.

PLEXPO is organised by Gujarat State Plastic Manufacturers Association (GSPMA). GSPMA is a leading Plastic Manufacturers Association in the country and is a founder member of PLASTINDIA FOUNDATION. GSPMA is working for the cause of Plastic Industry since more than last four decades.

OPaL was the proud participant of PLEXPO 2019. The elegantly designed OPaL stall was strategically positioned to garner maximum attention. OPaL delegation met numerous guests from the plastic industry and discussed the possibilities of future partnerships.

The event was significant as it gave OPaL an opportunity to further strengthen its brand in the western region. OPaL is committed to widening its clients' base across the globe. Exhibitions like these present a perfect meeting point to strengthen the business of OPaL. In future, OPaL will be participating in many such events.
