

OPaL Observes Vigilance Awareness Week 2018

ONGC Petro additions Limited (OPaL) observed Vigilance Awareness week from 29 October 2018 to 4th November 2018 at the corporate office in Vadodara, plant in Dahej and at the zonal offices across India. The theme of this year was “Eradicate Corruption - Build New India.” The celebrations kicked off with an enthusiastic morning when the employees observed Banners, Posters and Hoardings displayed at all the locations to spread awareness about the occasion. On the first day, Pledge was administered by Shri Avinash Joshi, MD–OPaL, in the corporate office (Vadodara) and Shri Manoj Kumar Srivastava, President, OPaL and Shri Rajeev Srivastava, GM-HR, administered the pledge in English and Hindi respectively at the Dahej plant site. In addition to this, web banner with an E-Pledge link embedded was displayed on the home page of OPaL’s website.

All the employees were motivated to take an integrity pledge and observe prudence. Various activities, workshops dramas, street play etc were administered all through the week in order to make people more aware about corruption free India. All the employees and senior management officials were present during the event and greatly appreciated the initiative.

To promote the importance of the VAW 2018 theme, Drawing and Painting competitions were organized in the schools of Bharuch and Vadodara on the fourth day. Students from KGM School in Bharuch and MK High School, Vadodara and Baroda High School, Vadodara participated in the competitions organized at the respective schools. From each school, 3 best entries were selected and prizes were distributed.

To extend the reach of the Vigilance Awareness Week campaign, teasers, SMS and mailers urging to take an integrity pledge and be vigilant, were sent to all the employees of OPaL at all locations throughout the week.

About OPaL ONGC Petro additions Limited (OPaL), a multi-billion joint venture company was incorporated in 2006, as a Public Limited Company under the companies Act, 1956, promoted by Oil and Natural Gas Corporation Limited (ONGC) and co-promoted by GAIL (India) Limited and Gujarat State Petroleum Corporation (GSPC). OPaL has set up a grass root mega petrochemical project in port city of Dahej, Gujarat; part of the Petroleum, Chemicals and Petrochemical Investment Region (PCPIR), first of its kind in India. The complex mothers a Dual Feed Cracker with a capacity to produce 1100 KTPA Ethylene, 400 KTPA Propylene along with Polymerisation Units and various Associated Units consisting of Pyrolysis Gasoline Hydrogenation Unit, Butadiene and Benzene Extraction Units. The Polymer plants of OPaL has 2X360 KTPA of LLDPE/HDPE Swing unit, 1X340 KTPA of Dedicated HDPE and 1x340 KTPA of PP. The Project has already commenced its production.
